PHYSIOTHERAPY

A hand-drawn graph on lined paper. The graph features a single downward-sloping curve. The curve begins at a point on the vertical axis, approximately one-third of the way down from the top. It then curves downwards and to the right, ending near the horizontal axis. The vertical axis is marked with a small tick, and the horizontal axis is also marked with a small tick. The curve is drawn with a dark, slightly irregular line, suggesting it was drawn by hand. The background consists of horizontal lines on a white sheet of paper.
