[illegible]

Date _____

[illegible]A hand-drawn graph on lined paper. The graph features a single downward-sloping curve. The curve begins at a point marked with a small dot, located approximately in the middle of the horizontal axis and towards the upper third of the vertical axis. From this point, the curve arcs downwards and to the right, becoming increasingly steep as it moves towards the bottom right corner of the page. The paper has horizontal ruling lines, and a vertical margin line is visible on the left side.
