PHYSIOTHERAPY

A hand-drawn graph on lined paper. The graph features a smooth, S-shaped curve (sigmoid function) that starts near the origin and levels off as it moves to the right. The curve is drawn in blue ink. The paper has horizontal blue lines and a vertical red margin line on the left side.

NEBULIZER

The graph shows a curve starting at the origin (0,0) and increasing with a decreasing gradient. The curve passes through approximately (1, 0.5) and (2, 0.8).

NEBULIZER

The graph shows a curve starting at the origin (0,0) and increasing with a decreasing gradient. The curve passes through approximately (1, 0.5) and (2, 0.8).
